

Textbooks  
for Africa

Gamma Theta  
Upsilon

The International Geographic  
Honor Society

*Make a difference in the lives of fellow students.*

Donate Your  
Used Textbooks!

We're looking for textbooks used in geography, history, business, math, sociology, statistics, agriculture, engineering, political science, education, chemistry, geology, English, biological sciences, nutrition, philosophy, journalism, computer science, or any other academic course!!

Student members of *Gamma Theta Upsilon* are collecting recent editions of textbooks for students in Africa. Please help us make a difference by donating your used textbooks.
