

Reactivating a Gamma Theta Upsilon Chapter

1. If a member of the faculty is not already involved ask your department chair to name a faculty sponsor, or ask a faculty member to serve. You must have a member of the faculty serving as a sponsor/advisor.
2. Go to <http://www.gammathetaupsilon.org/chapters.html> and search through our chapter list (hint: use “control” + “F” to find the name of your school). If you’re on the list you have a charter and can go on to step 3. If you’re not on the list you don’t have a charter and need to go to <http://www.gammathetaupsilon.org/petition-for-charter.html> instead.
3. Go to <http://www.gammathetaupsilon.org/eligibility.html> to view the membership eligibility requirements.
4. Go to <http://www.gammathetaupsilon.org/initiation-ceremony.html> for the initiation ceremony.
5. Once the new members have been initiated, go to <http://www.gammathetaupsilon.org/initiate-address-form.html> and have the faculty sponsor complete the form, sign it, and mail it with a single check (@ \$40 per initiate) made payable to Gamma Theta Upsilon to:

Dr. Burrell Montz, Professor, Department of Geography, Planning, and Environment
Interim Executive Secretary, Gamma Theta Upsilon International Geographical Honor Society
East Carolina University
Brewster A-227
Greenville, NC 27858
